

Per the graduation policy:

In order to graduate in any given semester, students must apply prior to the deadline for that semester:

Fall term: October 1

Spring term: March 1

Summer term: June 1

It is recommended that students complete the application for graduation one year in advance to ensure all requirements will be met. Note: Certain colleges may require the one year prior to completion date – check with your advisor. The application for graduation process should be completed based on college/academic unit specific deadlines.
