Recent Court Cases

“If credibility is in dispute and material to the outcome, due process requires cross-examination.”
Doe v. Baum 903 F.3d 575, 585 (6th Cir. 2018)

When a student accused of sexual misconduct faces severe disciplinary sanctions, and the credibility of witnesses (whether the accusing student, other witnesses, or both) is central to the adjudication of the allegation, fundamental fairness requires, at a minimum, that the university provide a mechanism by which the accused may cross-examine those witnesses.” *Doe v. Allee*, 242 Cal. Rptr. 3d 109, 136 (Cal. Ct. App. 2019)

In a DV case, the state court ruled, “...procedures were unfair because they denied Respondent a meaningful opportunity to cross-examine critical witnesses at an in-person hearing.” *Boermeester v Carry*, No. B290675, 2020 WL 2764406 at *1 (Cal. Ct. App. May 28, 2020)

“[N]otions of fairness in Pennsylvania law include providing the accused with a chance to test witness credibility through some form of cross-examination and a live, adversarial hearing during which he or she can put on a defense and challenge evidence against him or her.”
Doe v. Univ. of the Sciences, No. 19-2966, 2020 WL 2786840 at*5 (3d Cir. May 29, 2020)

Doe v. Univ. of the Sciences: No. 19-2966, 2020 WL 2786840 (3d Cir. May 29, 2020).

The Courts on Due Process and Fundamental Fairness

Doe v. Brandeis University: Basic fairness requires the university to provide an accused student with: (1) notice of charges, (2) the right to counsel, (3) the opportunity to confront the accuser, (4) cross-examination of evidence or witness statements, and an effective appeal.

Doe v. Regents of the University of California

Doe v. Claremont McKenna College: When the respondent faces a severe penalty and the case turns on credibility, the process must provide for a hearing where the respondent may question, if even indirectly, the complainant.

2016

Doe. Rectors and Visitors of GMU: A university provide an accused student with notice of the full scope of charges.

Doe v. University of Southern California: A university must provide an accused student with supplemental notice if the charges against the respondent change or expand.

2017

Doe v. Trustees of Boston College

2018

Doe v. Baum: When credibility is at issue, the Due Process Clause mandates that a university provide accused students a hearing with the opportunity to conduct cross-examination.

The Courts on Due Process and Fundamental Fairness

Doe v. Allee (USC): Fundamental fairness requires, at a minimum, that the university provide a mechanism by which the accused may cross-examine those witnesses, directly or indirectly, at a hearing before a neutral adjudicator with the power to find facts and make credibility assessments independently.

Doe v. Purdue University: Investigation report must be provided to the parties prior to the hearing and must include summaries of both inculpatory and exculpatory evidence.

2019

Doe v. Rhodes College: An accused student must be afforded the opportunity to question the complainant and review all relevant evidence prior to the hearing.

2020

Boermeester v. Carry: In a DV case, the state court ruled, "...procedures were unfair because they denied Respondent a meaningful opportunity to cross-examine critical witnesses at an in-person hearing."

Doe v. Univ. of the Sciences: Notions of fairness include providing the accused with some form of cross-examination and a live, adversarial hearing during which he or she can put on a defense and challenge the evidence.

Implementing Regulations

Regulations Promulgated in 1975

- Designation of responsible employee
- Complaint procedure of recipient
- Notification of policy

2020 Final Regulations

Grievance Procedures: § 106.8(c)

Designation of Coordinator

- Each recipient must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this part, its responsibilities under this part, which employee must be referred to as the “Title IX Coordinator.”

Dissemination of Policy

- Such notification must state that the requirement not to discriminate in the education program or activity extends to admission (unless subpart C of this part does not apply) and employment, and that inquiries about the application of title IX and this part to such recipient may be referred to the recipient's Title IX Coordinator, or to the Assistant Secretary, or both.

Adopt Grievance Procedures

- . A recipient must adopt and publish grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by this part and a grievance process that complies with § 106.45 for formal complaints as defined in § 106.30.
- A recipient must provide to persons entitled to a notification under paragraph (a) of this section notice of the recipient's grievance procedures and grievance process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the recipient will respond.

SHIFT IN APPROACH & FRAMING PRINCIPLES

Framing Principles

1

“A recipient’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under title IX.”

2

“A recipient with actual knowledge of sexual harassment in an education program or activity of the recipient against a person in the United States, must respond promptly in a manner that is not deliberately indifferent.”

3

“A recipient’s response must treat complainants and respondents equitably by offering supportive measures . . . to a complainant, and by following a grievance process . . . before the imposition of any disciplinary sanctions or other actions that are not supportive measures . . . against a respondent.”

4

“A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.”

5

“If the Assistant Secretary finds that a recipient has discriminated against persons on the basis of sex in an education program or activity under this part, or otherwise violated this part, such recipient must take such remedial action as the Assistant Secretary deems necessary to remedy the violation.”

Framing Principles

1

“A recipient’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under title IX.”

Title IX Regulations issued May 6, 2020; § 106.45(a)

Framing Principles

2

“A recipient with actual knowledge of sexual harassment in an education program or activity of the recipient against a person in the United States, must respond promptly in a manner that is not deliberately indifferent.”

Title IX Regulations issued May 6, 2020; § 106.45(a)

Framing Principles

3

“A recipient’s response must treat complainants and respondents equitably by offering supportive measures as defined in § 106.30 to a complainant, and by following a grievance process that complies with § 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures as defined in § 106.30, against a respondent.”

Framing Principles

4

“A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.”

Title IX Regulations issued May 6, 2020; § 106.45(a)

Framing Principles

5

“If the Assistant Secretary finds that a recipient has discriminated against persons on the basis of sex in an education program or activity under this part, or otherwise violated this part, such recipient must take such remedial action as the Assistant Secretary deems necessary to remedy the violation.”

Title IX Regulations issued May 6, 2020; § 106.45(a)

Understanding Two Key Provisions

NOTICE

Key Provisions of Title IX Regulations issued May 6, 2020;

Notice

- Notice to the **Title IX Coordinator** or any official of the recipient who has **authority to institute corrective measures** on behalf of the recipient, or to any employee of an elementary or secondary school

Title IX Regulations issued May 6, 2020; § 106.30(a)

Notice

- **Actual knowledge**, not constructive notice or vicarious liability
 - Can come from personal observation, hearing about it from a complainant or third-party, receiving a written or oral complaint, or by any other means
- The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the recipient.

Title IX Regulations issued May 6, 2020; § 106.30(a)

Notice: Institutional Response

When a school has **notice**, the Title IX Coordinator must:

1. Promptly contact the complainant to discuss the availability of supportive measures
2. Consider the complainant's wishes with respect to supportive measures
3. Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint
4. Explain to the complainant the process for filing a formal complaint.

Practical Considerations & Challenges

- Responsible Employee
 - Higher education institutions have the option to continue to designate responsible employees and require reporting
 - How should an institution decide whether to maintain or move away from responsible employee reporting?
- Centralized Reporting
 - Because responsible employee reporting is no longer required, how can institutions ensure they have necessary information to assess for repeat instances of sexual harassment by a person or within a group?
- Training and Resetting Expectations

JURISDICTION AND SCOPE

Key Provisions of Title IX Regulations issued May 6, 2020;

What is Prohibited Conduct?

Jurisdiction: Framing Principle

2

“A recipient with actual knowledge of sexual harassment in an education program or activity of the recipient against a person in the United States, must respond promptly in a manner that is not deliberately indifferent.”

Title IX Regulations issued May 6, 2020; § 106.45(a)

Jurisdiction: Education Program or Activity

- “**Education program or activity**” includes:
 - Locations, events, or circumstances over which the recipient exercised **substantial control** over both
 - the respondent and
 - the context in which the sexual harassment occurs, and
 - Any building **owned or controlled by a student organization that is officially recognized** by a postsecondary institution

Title IX Regulations issued May 6, 2020; § 106.44(a)

Jurisdiction: Who

- Title IX statute applies to **any person**, in the United States, on the basis of sex, who is excluded from participation in, denied the benefits of, or is subjected to discrimination **under any education program or activity** receiving federal financial assistance.
- **Program or activity and program** means all of the operations of—
 - A college, university, or other postsecondary institution, or a public system of higher education; or
 - A local educational agency (as defined in 20 U.S.C. 8801), system of vocational education, or other school system

Title IX of the Education Amendments of 1972; § 20 U.S.C. 1681;
Title IX Implementing Regulations; § 106.2(h)

Jurisdiction: Where

- Applies only to sex discrimination occurring **against a person in the United States** in an education program or activity
 - “The Department reiterates that the ‘education program or activity’ limitation in the final regulations
 - does not create or apply a geographic test
 - does not draw a line between ‘off campus’ and ‘on campus,’ and
 - does not create a distinction between sexual harassment occurring in person versus online.”

Title IX Regulations issued May 6, 2020; § 106.8(d); Preamble at 649

Jurisdiction: On Campus

“[A]ll of the operations’ of a recipient (per existing statutory and regulatory provisions), and the additional ‘substantial control’ language in these final regulations, clearly include all incidents of sexual harassment occurring on a recipient’s campus.”

Title IX Regulations issued May 6, 2020; Preamble at 624

Jurisdiction: Off Campus

- “[T]he statutory and regulatory definitions of program or activity along with the revised language in § 106.44(a) clarify that a recipient’s Title IX obligations extend to sexual harassment incidents that occur off campus **if any of three** conditions are met:
 - if the off-campus incident occurs as part of the recipient’s **‘operations’** pursuant to 20 U.S.C. 1687 and 34 CFR 106.2(h);
 - if the recipient exercised **substantial control over the respondent and the context** of alleged sexual harassment that occurred off campus pursuant to § 106.44(a); or
 - if a sexual harassment incident occurs at an off-campus building **owned or controlled by a student organization officially recognized** by a postsecondary institution pursuant to §106.44(a).”

Jurisdiction: Course of Conduct

- “In situations involving some allegations of conduct that occurred in an education program or activity, and some allegations of conduct that did not, the recipient **must investigate the allegations of conduct that occurred in the recipient’s education program or activity**, and nothing in the final regulations precludes the recipient from choosing to **also address allegations of conduct outside the recipient’s education program or activity**.”
- For example, if a student is sexually assaulted outside of an education program or activity but subsequently suffers Title IX sexual harassment in an education program or activity, then these final regulations apply to the latter act of sexual harassment, and the **recipient may choose to address the prior assault through its own code of conduct.**”

Jurisdiction: What

- Narrowed & expanded definition of sexual harassment
 - Quid pro quo
 - Unwelcome conduct determined by a reasonable person to be so **severe, pervasive, and objectively** offensive that it **effectively denies** a person equal access to the recipient's education program or activity
 - Inclusion of sexual assault, dating violence, domestic violence, and stalking as a form of sexual harassment

Title IX Regulations issued May 6, 2020; § 106.30(a)

Practical Considerations & Challenges

- Policy frameworks
 - How to incorporate non-Title IX conduct
 - How to address other forms of discrimination and harassment
- Coordinating with other conduct codes
 - When can you proceed under another code?
 - When is the jurisdiction determination made?
 - Threshold during initial assessment?
 - Charging decision following investigation
- What about retaliation?

BREAKOUT 1: JURISDICTIONAL ANALYSIS

SUPPORTIVE MEASURES

Key Provisions of Title IX Regulations issued May 6, 2020;

Framing Principles

3

“A recipient’s response must treat complainants and respondents equitably by **offering supportive measures** as defined in § 106.30 to a complainant, and by following a grievance process that complies with § 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures as defined in § 106.30, against a respondent.”

Offering Supportive Measures

- The Title IX Coordinator must promptly contact the complainant to:
 - Discuss the **availability** of supportive measures as defined in § 106.30,
 - Consider the **complainant's wishes** with respect to supportive measures,
 - Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and
 - Explain to the complainant the process for filing a formal complaint.

Supportive Measures

- Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed.
- Designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment.

Title IX Regulations issued May 6, 2020; § 106.30(a)

Supportive Measures

- May include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

Title IX Regulations issued May 6, 2020; § 106.30(a)

Supportive Measures

- Must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide the supportive measures.
- The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

Title IX Regulations issued May 6, 2020; § 106.30(a)

Documentation

- Must maintain records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment
- Must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the recipient's education program or activity
- If a recipient does not provide a complainant with supportive measures, then the recipient must document the reasons why such a response was not clearly unreasonable in light of the known circumstances

Title IX Regulations issued May 6, 2020; § § 106.45(b)(10)(i) (ii)

Emergency Removal for Students

- Must undertake an individualized safety and risk analysis and determine that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal
- Must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal

Title IX Regulations issued May 6, 2020; § 106.44(c)

Emergency Removal

- Where a respondent poses an immediate threat to the physical health or safety of the complainant (or anyone else), § 106.44(c) allows emergency removals of respondents prior to the conclusion of a grievance process (or even where no grievance process is pending), thus protecting the safety of a recipient's community where an immediate threat exist.

Title IX Regulations issued May 6, 2020; Preamble at 566

Emergency Removal

- The Department notes that the final regulations expressly allow a recipient to remove a respondent on an emergency basis and do not prescribe cross-examination as a necessary procedure during the post-removal opportunity to challenge the removal.
- Recipients may also implement supportive measures that restrict students' or employees' contact or communication with others.
- Recipients thus have avenues for addressing serial predator situations even where no victim chooses to participate in a grievance process.

Title IX Regulations issued May 6, 2020; Preamble at 1176-1177

Administrative Leave

- Nothing in this subpart precludes a recipient from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with § 106.45.
- This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

Title IX Regulations issued May 6, 2020; § 106.44(d)

Practical Considerations & Challenges

- Limited scope allowable for emergency removal
 - Can you remove under code of conduct for lesser standard?
- What are the criteria for appropriate and reasonably available?
- What are measures to protect safety or deter sexual harassment?
- What supportive measures do you have to offer to a non-student/non-employee?
- Ensuring accurate documentation
